URGENT PLEASE REPLY FOR YOUR INFORMATION PLEASE REVIEW

Due to the current situation in South Australia with regard to the continuing low or no cases of COVID-19, along with the Government Restrictions easing, SAPML has decided it is time to ease restrictions in the Market.

The health and well-being of our Market Community is paramount and SAPML continue to put in place the best course of action. We will continue to be guided by Government Regulations so that we can put into place, the slow and cautious return to normal.

As such, we have reduced the questions on our Health Screening Form and as from Monday, 29 June 2020, our staff will be returning to work ensuring social distances rules are adhered to [eg: 1.5m and 1 person per 4m²].

When restrictions are eased further, we would encourage you to have your own Business Continuity Plan(s) in place to ensure any risks and future “Cluster” outbreaks are managed appropriately.

If you have any questions regarding the easing of restrictions within the Market, please contact me on 0409 251 850 or jamie@saproducemarket.com.au
