<b>FROM:</b>	Angelo Demasi Chief Executive Officer
<b>SUBJECT:</b>	Site Access

URGENT     PLEASE REPLY     FOR YOUR INFORMATION     PLEASE REVIEW

As we continue to streamline our processes and taking into consideration the additional compliance in relation to COVID-19, we would like to communicate our procedure with regard to accessing the Market.

As from Monday, 3 August 2020, the only method of entering the Market will be as follows:

## 1. Market User

Site Access Card

If you are a Market User you MUST have an access card and swipe upon entry and exit.

If you do have an Access Card, please remember you can enter via the Rear Gate.

## 2. Visitor or Contractor

SINE PRO App.

If you are a Visitor or Contractor you MUST download the SINE PRO app and follow the instructions upon entry and exit.

We will continue to take temperature readings of all people entering the Market until further notice.

We must implement access via the two methods listed above to ensure prompt and efficient traceability in the event there is a COVID-19 case found within the Market precinct. This will also ease the congestion and time taken to enter the Market.

If you need assistance with downloading the SINE PRO app, please contact Anna Symeonides on 0408 819 579, Shana Cavanagh on 0418 322 646 or Suzanne Heaton on 0424 608 431.

We thank you for your ongoing understanding and cooperation.

Kind regards

Angelo Demasi
