MARKET MEMO

DATE:	21 July 2020
TO:	Market Community
FROM:	Angelo Demasi Chief Executive Officer
SUBJECT:	Social Distancing Precautions

URGENT PLEASE REPLY FOR YOUR INFORMATION PLEASE REVIEW

Recently the SA Police Commissioner, who is the State Coordinator for the COVID-19 pandemic in SA, received a complaint regarding people who had been seen not attempting to social distance in a South Australian shopping centre.

In his role, the Commissioner undertook to make enquiries and this has now come to the Security Preparedness Unit to make contact with all shopping centre / Market operators and request that they remind their patrons to observe social distancing in their stores and centres, most particularly in “choke points” such as escalators / food courts / stairs, etc. and to be vigilant in enforcing same wherever possible.

We at South Australian Produce Market are already undertaking this type of activity but we must ensure we assist the community by keeping up the vigilance in this area and continue to undertake extensive social distancing precautions.

Please continue to keep your distance to not less than 1.5 meters per person. We would also ask that each Tenant do their own calculations with regard to the “2 square meter rule per person” within all enclosed areas. We would suggest that you place the maximum number of people allowed in each area at the entrance of your Store and/or Warehouse.

SAPML would ask the Market Community to continue to raise the level of vigilance of social distancing requirements and remind those that you communicate with throughout your day.

We do appreciate the complexity of these precautions and SAPML thank you for ongoing efforts during this time.

Kind regards

Angelo Demasi
Chief Executive Officer
